

# Demolition Permits

---

In order to obtain a demolition permit you will need to obtain the following items first.

- A City of De Soto building permit.
- City of De Soto Business License
- Letter from Ameren Stating the service has been abandoned
- Letter from Spire stating the gas has been abandoned
- Property shall be vanished to the same graded and material as surrounding area ( i.e. if the surrounding area is grass than demo area shall be brought to grade and seed and straw should be applied, if surrounding grade is concrete than demo area shall be brought to grade and surfaced with concrete.)
- All State and Federal laws need to be followed.
